

Sticky Buns

- 18 frozen Rhodes Bake-N-Serv® Frozen White Dinner Rolls
- 1½ cups pecans
- 1 stick of butter
- 1 4.6oz package Jell-O Cook & Serve Vanilla Pudding (not instant)
- 1 cup brown sugar (not firmly packed)
- 2 teaspoons cinnamon
- 1- tablespoon water

The night before you want to serve them:

Spray a 9x13 pan with non-stick cooking spray. Scatter the nuts in the pan. Add the 18 frozen rolls and spread evenly.

Melt the butter in a saucepan and add the pudding mix, brown sugar, cinnamon, and water it. Mix well, heat until warm.

Pour this mixture evenly over the pan of rolls. Place uncovered in a cold oven.

The next morning:

Turn on oven to 350 degrees and bake for 30 minutes. You do not need to preheat the oven. Let buns cool for a few minutes and then invert over a large platter or cookie sheet.

Enjoy!

Note- Walnuts, raisins, or dried cranberries may be used in place of pecans.
